

Dear Parents/Guardians

We are pleased to invite your son/daughter to participate in the Hamilton-Wentworth Catholic District School Board **Reach Ahead Integrated Arts Credit** summer program provided through St. Charles Adult and Continuing Education.

This program offers students a unique opportunity to integrate art and drama as they create and present their drama and artwork. In addition, if successful upon completion, students will earn their first secondary school credit.

This course is intended for individuals who may have difficulty transitioning into high school, as determined by their Principal. It is the ONLY credit that current Grade 8 students entering High School in September 2018 are allowed to take.

Integrated Arts (ALC 101) will provide students with opportunities to explore dramatic forms and techniques. Students will become familiar with the elements and principles of design and the expressive qualities of various materials by using a range of media. The students will use these skills to create, perform, discuss and analyze drama and art.
